Atilla's getaway

Directions to Atilla's Getaway, Travellers' Resort in Selçuk/Ephesus, Turkey.

Atilla's Getaway is located 2km outside of Selçuk and 1km from Ephesus on the Aegean coast of Turkey. We're right next to the Diesel Clothing factory store and Acarlar village. 15km from Kusadasi port. 70km from Izmir airport. We offer a free pickup service from the bus station, train station or Kusadasi port upon arrival.

Arriving by bus or train?

When you arrive into the Selçuk bus station (otogar), visit the office of Aydin Turizm. Look for the 'Atilla's Getaway Meeting Point' sign just outside their door. The friendly staff at Aydin Turizm will call us and we will come and pick you up.
If you arrive into the Selçuk train station let us know your arrival time or call us when you get there. We'll be there within five minutes to pick you up.

Arriving by car?

Follow the main road through Selçuk heading towards Aydin. We are on the right side of the road, just before the big red sign of the Diesel Clothing factory store, next to the village of Acarlar.

If you are driving from Marmaris or Pamukkale you will pass us on the left side of the road, 2km before you arrive into Selçuk and 40km after you pass the town of Aydin.

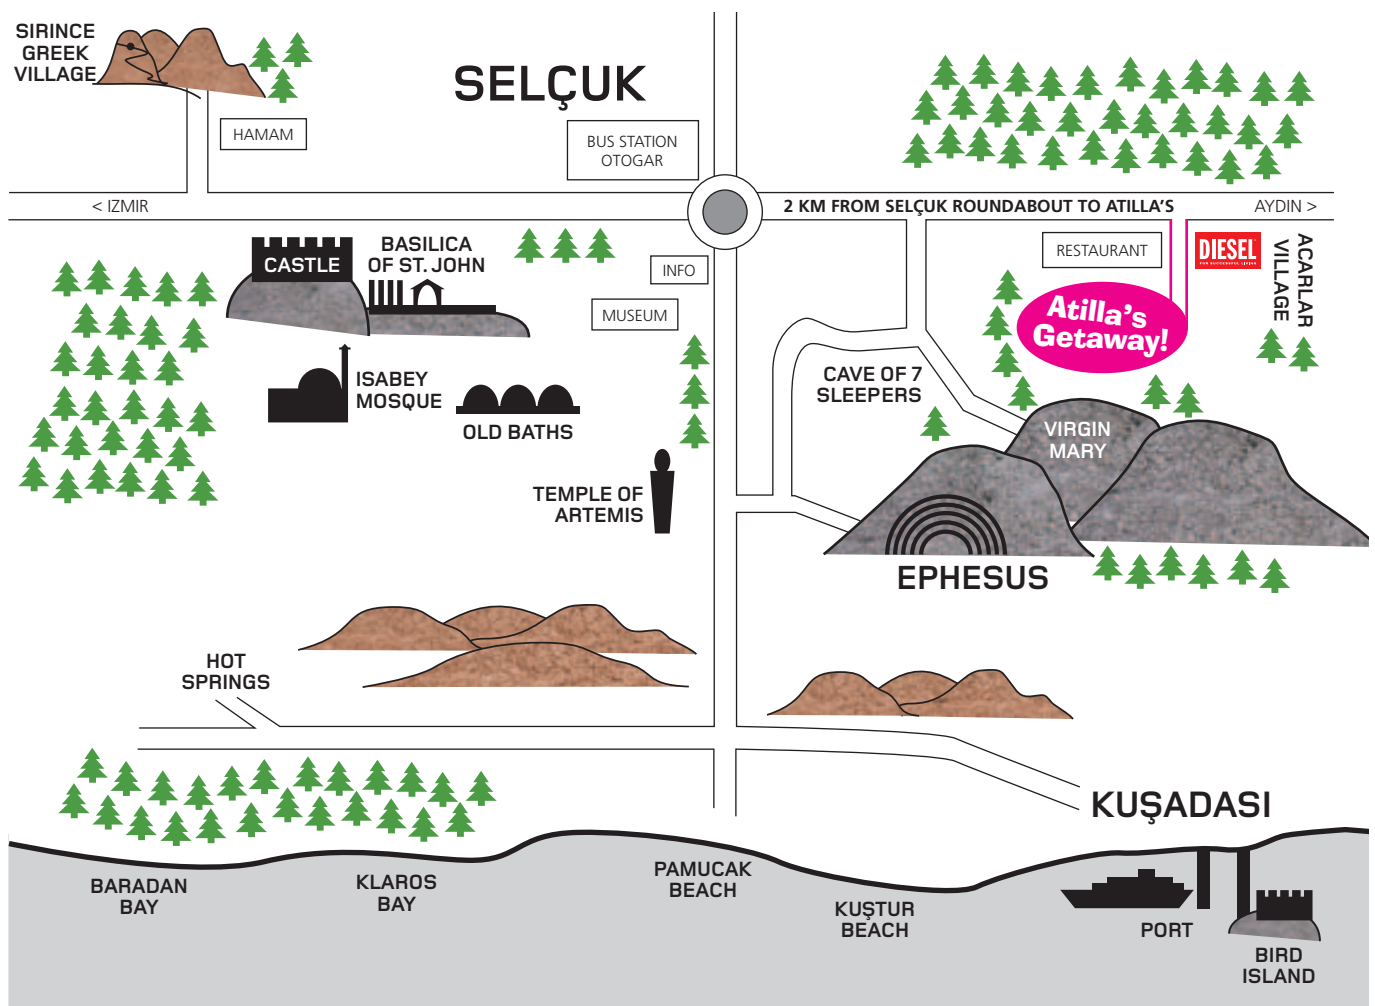

Flying into Izmir?

If your flight arrives during the day, simply jump on a Dolmus (bus) to Selçuk. There is also a limited train schedule leaving directly from the airport. Contact us to check the timetable.
If you are arriving later in the evening, discuss with us when you make your accommodation booking as we can arrange a pick up for you from Izmir airport at a pre-arranged flat rate.

Arriving from Samos by ferry?

Please contact us one day prior to your departure from Greece to arrange a free pick up service from the Kusadasi port. We will let you know the meeting point.

Please call if you need any assistance to find us, or to arrange your free pick up service.
